

Creating Conducive Environment for Protection of Most at Risk Children

At Last Street Child Faisal found the correct Street

Child Faisal, brought up 5no Ghat Fish Bazar area. He was living with his step farther and there he was tortured by his father. Faisal was unable to go to school due to torture. After a long time he was unable to stay at home. So he left home and started to stay at railway station. The cause for which Faisal stated to involve with bad company. After the death of his father his mother was married to another man. But his step father stopped his mother to stop his study. His mother was working at hotel to support her family financially. She stopped her child's study and she was unable to follow up her son's activity. After a while he was get involved in begging.

Meanwhile, he was came in touch with the Social worker of JJS, PMRC project. JJS, PMRC project is the project where DIC is the center which is working for long time to provide food and medical support to the children who lives in the street. After being in touch with JJS social worker, Faisal become a regular child of DIC. Being regular child of DIC Faisal get the mental and physical medical support from DIC and also basic educational support. After a while of education he was developing psychologically. After developing psychologically he also dreamt to live a happy life like other child. To give life to the dreams of little child Faisal PMRC, Social Worker, Nasir was working and he re-integrated Faisal at Sheikh Rasel Rehabilitation Center. Meanwhile Social Worker also meet with Faisal's mother. His mother informed that due to the odd situation and also informed that she was unable to follow up her son daily. So with the consent of Faisal's mother Nasir, SW took him to Sheikh Rasel Rehabilitation center. Then after that the District Probation officer and deputy Director of DSS permit Faisal permanently. Currently he is living a very good and happy life.
